### Certificate of Analysis

|                |                               |                  |               |
|----------------|-------------------------------|------------------|---------------|
| Product Name   | D-(-)-Mandelic acid D-(-)-扁桃酸 | Manufacture Date | Jun, 15, 2020 |
| Batch Number   | KN200615                      | Analysis Date    | Jun, 20, 2020 |
| Batch Quantity | 500Kg                         | Expiration Date  | Jun, 14, 2022 |

| Test             | Specifications                           | Result          |
|------------------|------------------------------------------|-----------------|
| Assay 含量         | 99% min                                  | 99.76%          |
| Appearance 外观    | White or off-white crystalline 白色或类白色结晶体 | 白色结晶体           |
| Melting point 熔点 | 130°C-135°C                              | 131.4°C-131.7°C |
| Water 水分         | 0.5% Max                                 | 0.27%           |
| Conclusion       | Conform with Standard 合格                 |                 |

|                     |                                                                 |
|---------------------|-----------------------------------------------------------------|
| Packing description | 25kg/drum                                                       |
| Storage             | Store in cool & dry place, keep away from strong light and heat |
| Shelf life          | 2 years when properly stored                                    |
